

ACC Levy Questionnaire

This information is kept strictly confidential

Business Name:

Shareholder information

List the shareholders who work in the business and get a wage or salary. If you receive income from more than one source (i.e. other companies) please list these.

Shareholder name	Primary activity in the business <i>(e.g. director, administration)</i>	Remuneration level
------------------	--	--------------------

For the following, please select the correct answer

Do the shareholders take a wage or shareholder salary or both?

Do the shareholders have ACC Cover Plus Extra Policies?

Do the shareholders have income protection insurance?

Will the shareholders still get paid if they have an accident?

Please provide any other information you feel is material concerning the shareholders

Business Information for Levy Code Review

Business Activities - What does the business do?	% of income
--	-------------

How many staff are involved in labour and administration?

Health and Safety

Is the business currently in the WSD or WSMP discount scheme?

If neither, do you currently have a working health & safety system?

Do you currently train staff formally in Health & Safety?

Additional information

Is there anything else you believe we should know in relation to ACC?
